## The Vuba Difference.

**Vuba products are developed in our lab & manufactured in-house.**

Our resin bound system is 30 years in the making and includes a unique patented resin formula.

**Vuba Resin Bound is 19 times more permeable than block paving.**

We determined with the Flood Innovation Centre the environmental benefits of Vuba surfacing. [Scan the QR code to read the full report.](#)

Network of Vuba Approved Installers

**We have a network of Approved Installers.**

We have approved installers across the UK, who are fully trained to expertly install Vuba resin bound surfacing. We are also here to support your project every step of the way, with technical support & dedicated account managers.
